How is your positivity level today?

Temperature

Check

Objectives

**Better
understand
chronic
absenteeism**

**Learn 5
effective
strategies to
boost
attendance**

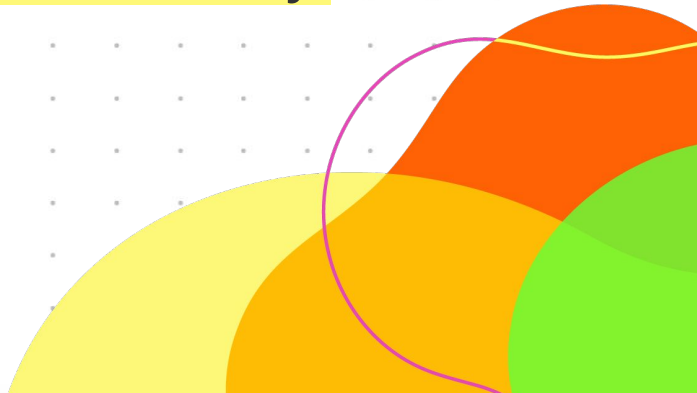

**Collect ideas
for putting
these
strategies into
practice**

Turn and Talk

**What's one everyday item that
best represents your
personality? How?**

- Pre-pandemic (2018–19), about **15%** of students were chronically absent
 - Pandemic peak (2021–22) saw rates nearly double to around **28–29%**
 - 2022–23 dipped slightly to **25–26%**
 - 2023–24 is tracking at approximately **23–23.5% nationally**
- 
- A decorative graphic in the bottom right corner consisting of overlapping orange, yellow, and green circles.

Highest 2023–24 absenteeism rates by state:

- Alaska: **43.4%**
- DC: **39.2%**
- Oregon: **34.3%**
- Florida: **31.4%**

Lowest:

- Idaho ~**15%**
- Alabama ~**14.8%**

School Refusal / Avoidance

The Issue

“ Approximately **2–5%** of children **refuse** to come to school each year due to anxiety or depression.”

 National Association for School Psychologists (NASP)

THE SCHOOL 'REFUSAL' ICEBERG

What's the Difference?

- NOT the same as truancy.
- Students facing truancy hide their excessive absences from their guardian(s).

Traditional Truancy Responses

- 
- A yellow squiggle, resembling a stylized 'Z' or a series of connected 'W' shapes, is located at the bottom center of the slide, overlapping the green and white background areas.
- Calls
 - Emails
 - Letters
 - Meetings
 - Removal of privileges
 - Detention
 - Suspensions
 - Revoked Driver's License
 - Truancy Court
 - Fines
 - Juvenile Detention
(severe cases)

What's the Difference?

- NOT the same as truancy.
- With school refusal and avoidance, parents **ARE** aware of their absences.

Traditional approaches
DON'T WORK

A yellow squiggle, consisting of three horizontal, wavy lines, is positioned below the text 'DON'T WORK'.

Trauma

APPENDIX A: Risk Factors for Chronic Absenteeism

BARRIERS	AVERSION	DISENGAGEMENT
Students <u>CANNOT</u> attend school for these reasons	Students <u>WILL NOT</u> attend schools as an avoidance strategy	Students <u>DO NOT</u> attend school due to disinterest, lack of connection, or parent mindset

Root Cause Questionnaire

Questionnaire to Determine Root Causes for Student Absences

Please share the following reasons as to why you are absent from school. (Check yes or no)	Yes	No
I have unreliable transportation to and from school.		
I travel out of town and/or the country.		
I am sick often.		
I stay home with my sick parent(s) and/or family member(s).		
I work a job outside of school.		
I stay home to take care of my child and/or younger siblings.		
I am tired and lack sleep.		
I feel unsafe at school, on the bus, while walking to school, etc.		
The students at school are unkind to me.		
I feel sad often.		
The weather is too bad to attend school.		
I am behind in my school assignments and homework.		
I don't think it would matter if I was absent from school/class.		
Test/exam days make me really nervous.		
My parent/guardian encourages me to come to school on a regular basis.		
I look forward to coming to school each day.		

Anxiety

Four Functions of School Refusal

Dr. Christopher Kearney

Function 1: School Refusal

A yellow squiggle, resembling a stylized 'Z' or a series of connected 'W' shapes, is located at the bottom center of the slide, overlapping the light green background.

To avoid school-related situations, areas and people that cause child unpleasant physical symptoms or distress.

Examples:

- Negative interactions with campus staff
 - Intentional Relationship-Building
- Riding the school bus
 - Arrange for specified pickup/dropoff/seating

Function 2: School Refusal

A yellow squiggle, resembling a stylized 'Z' or a series of connected 'W' shapes, is located at the bottom center of the slide, overlapping the light green background.

To avoid social or evaluative situations that are uncomfortable for the child (school-related performance tasks).

Examples:

- **Tests and exams**
 - Provide alternative to assess mastery and/or allow student to test in a small setting
- **Oral presentations in front of others**
 - Accept a video presentation and/or have student to present 1-on-1 with teacher.

Function 3: School Refusal

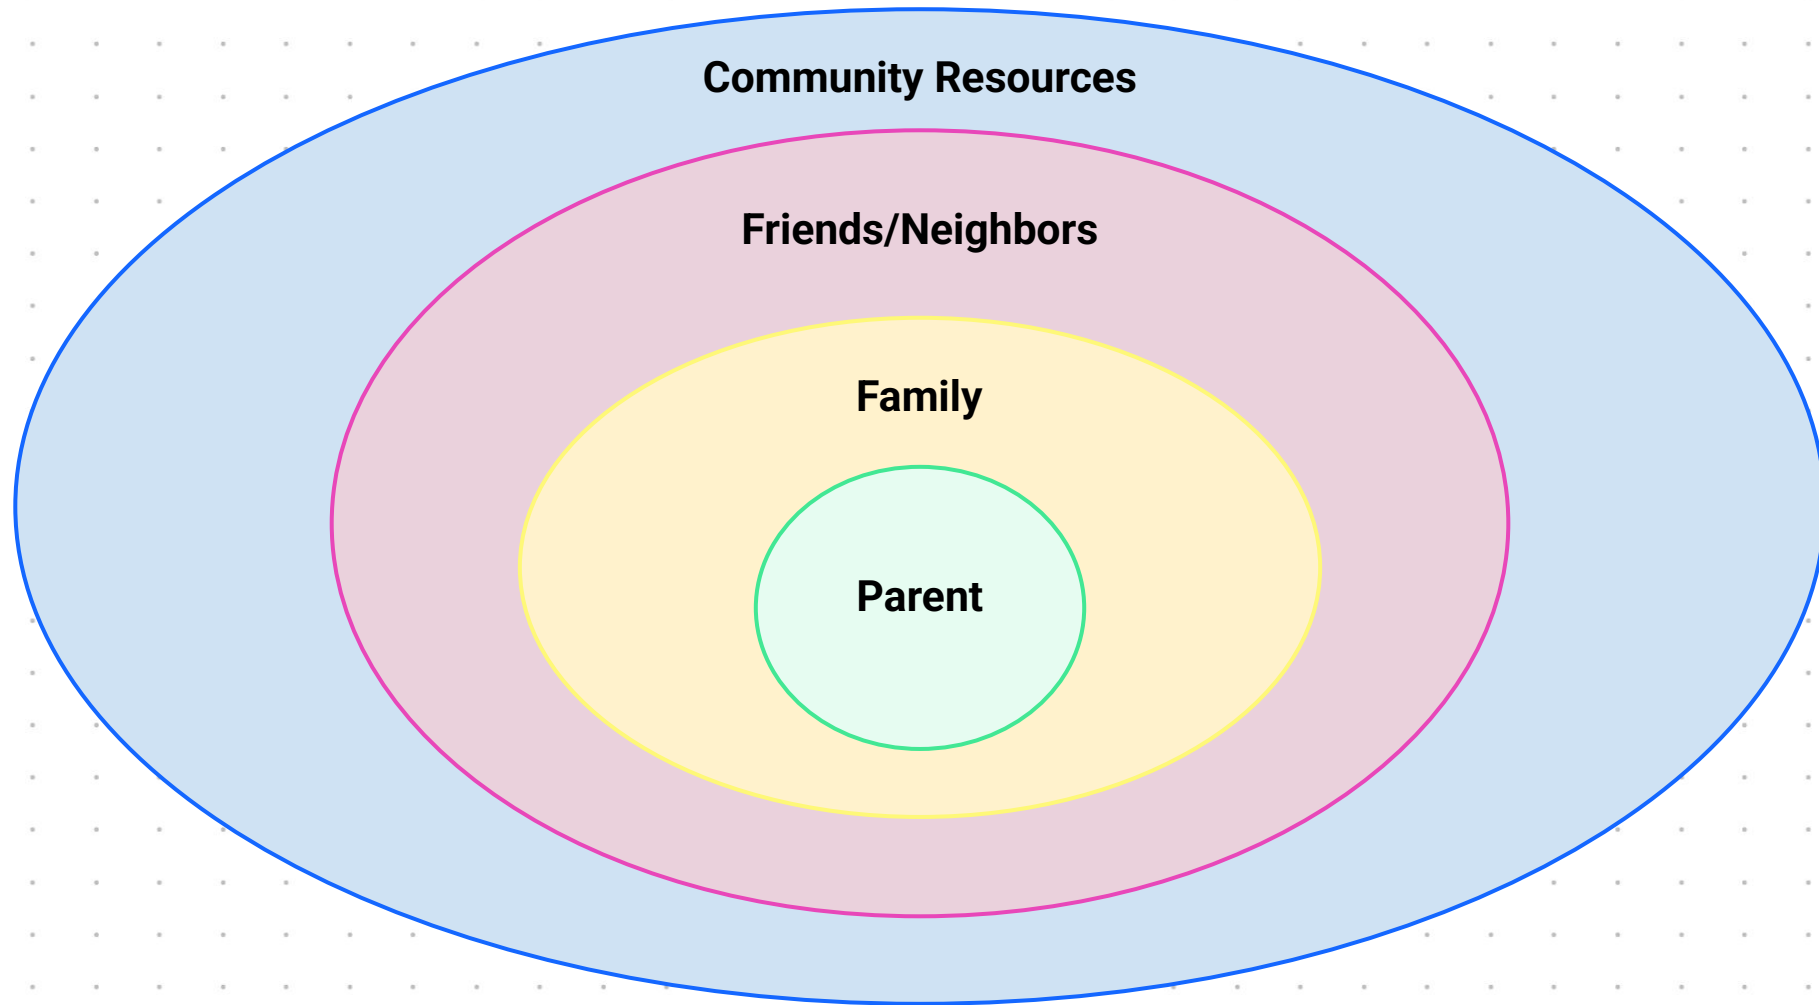

To receive attention from a parent or guardian.

Examples:

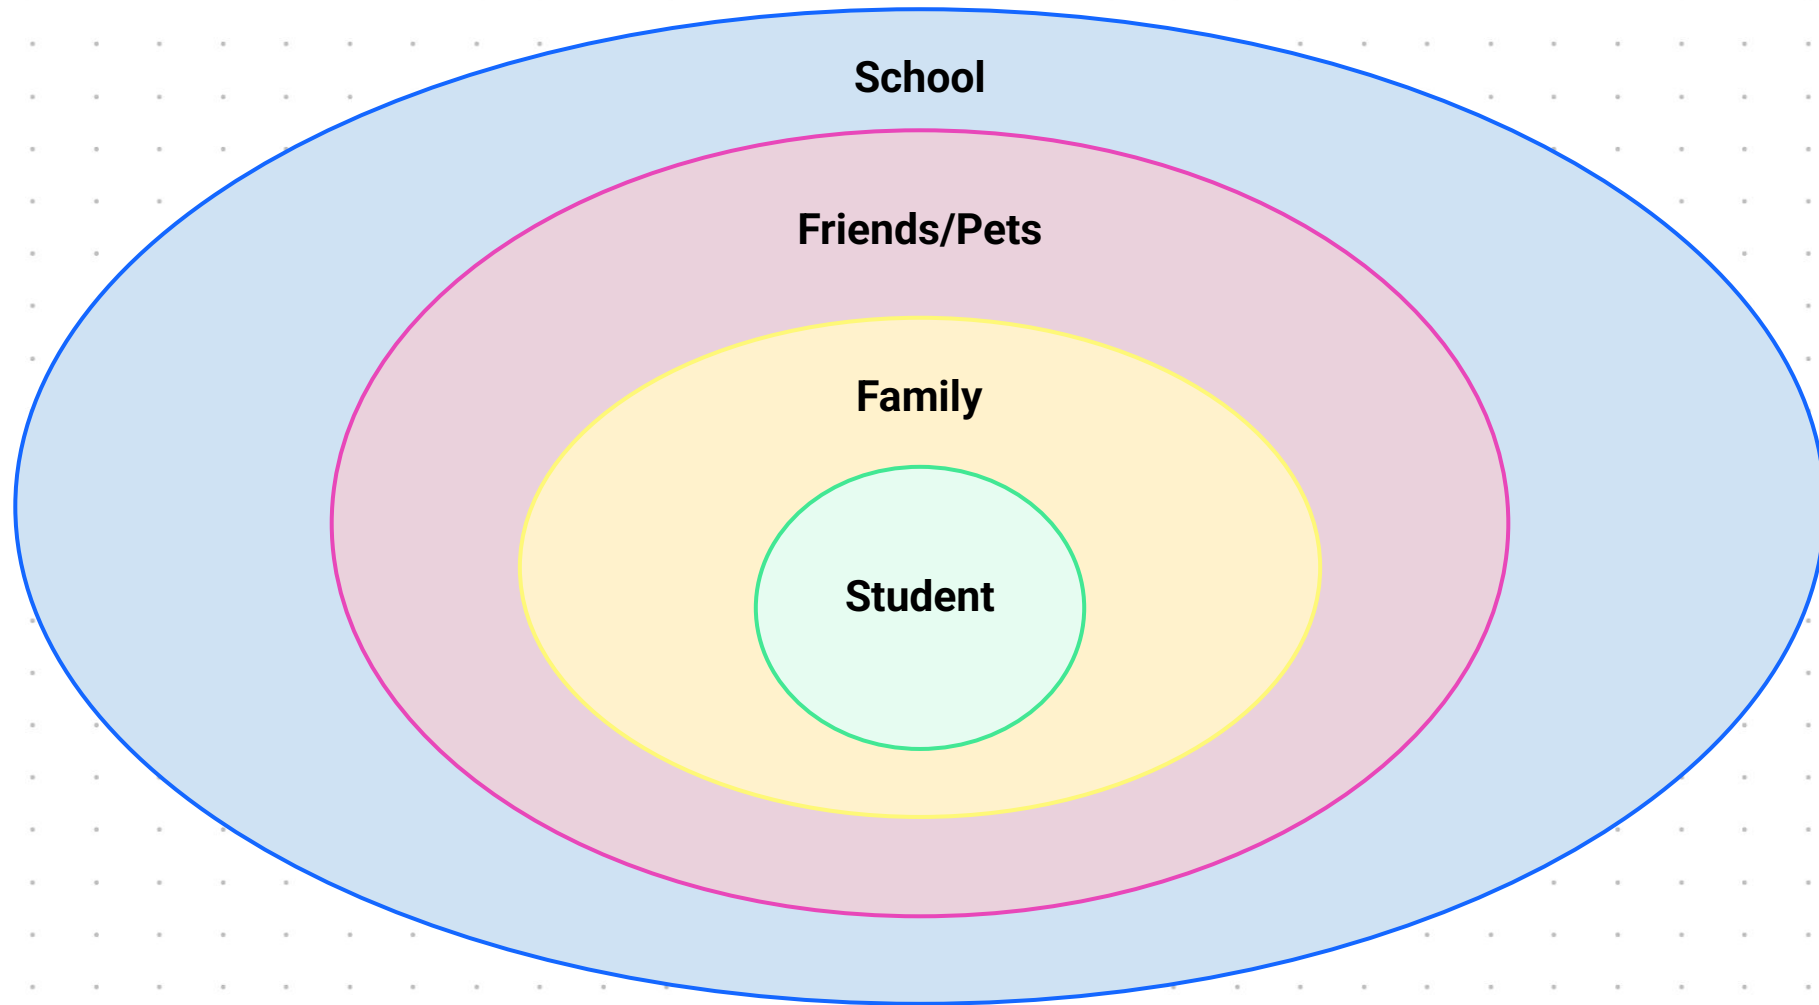

- Difficulty separating from a parent, sibling, or caregiver
 - transition item
- Feeling like they are needed by a parent
 - Family Stability/Support System

Family Stability/Support System

Who are the trusted individuals in your circle?

Student Support System

Who are the trusted individuals in your circle?

Function 4: School Refusal

To gain tangible rewards that are in the comfort and **safety** of their own homes:

For example:

- Staying home to play video games
- Watching TV or steaming
- Sleeping

Student Safe Place/Space

? Where is your safe place?

? What are the characteristics of your safe place?

Strong Emotions

Teach About Anxiety and its Impact on the Brain

- Brain Stem
- Amygdala
- Hippocampus
- Prefrontal Cortex

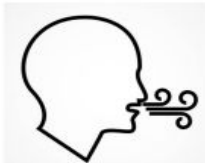

Calm Down / Break Area

Calm Down Area Procedures

	Take a comfortable seat
	Body Scan: How does my body feel? Set a timer 
	Choose a breathing technique    
	Choose a calm down tool
	Repeat body scan Set a timer 
	Return to work

Character Development Skills

Self Awareness	Identify triggers, strengths, motivators, embrace imperfection, etc.
Self Management	Teach coping and test-taking skills to manage anxiety and stress, “cool down” pass when overwhelmed and return
Relationship Skills	Adults interact with students in a way that creates school attachment and attunement (oxytocin and brain science)
Social Awareness	Overcome social fears
Responsible Decision Making	Each day is a new day/choice, break into small tasks, problem solving

Unresolved Issues Within Social Groups

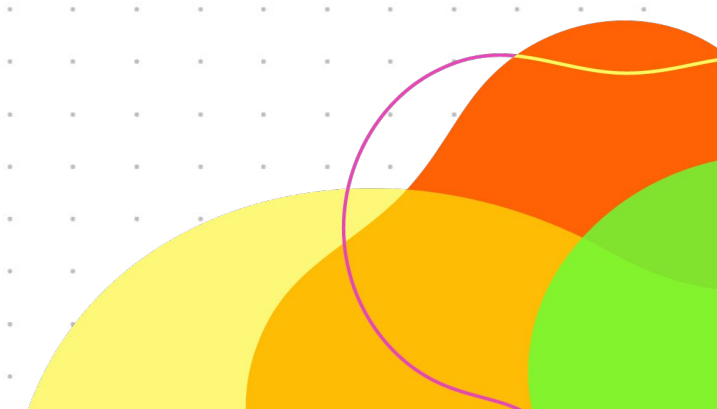

Restorative Practices

Conflict Resolution

Responsive Restorative Practices is a relational approach based on processes that build healthy communities and **repairs harm and restores relationships.**

During a restorative dialogue, participants are asked:

1. To reflect on the conflict or problem
 2. To identify their needs and interests
 3. To make a plan
- 
- A decorative graphic in the bottom right corner consisting of overlapping circles in shades of orange, yellow, and green, with a thin purple line curving around them.

Bullying

Have a grade level or schoolwide kindness board to show off how your students are showing kindness towards others.

1. Give students a piece of paper that will be put up on the kindness board.
2. Have students write one or two ways they are showing kindness towards others.
3. Post it on the kindness board.
4. Post kindness notes on lockers.

Kindness Initiatives

Have a grade level or schoolwide kindness board to show off how your students are showing kindness towards others.

1. Give students a piece of paper that will be put up on the kindness board.
2. Have students write one or two ways they are showing kindness towards others.
3. Post it on the kindness board.

Kindness Initiatives

Community Agreements

What are Community Agreements?

They are a list of norms we **co-create**, agree to follow, and hold each other accountable to in any given setting.

Why does this matter?

Each of us needs different things to feel safe and successful in this space. It's important to hear each other and have a shared understanding of the expectations within this community.

**“People support a world
they help create.”**

– Dale Carnegie

Community Agreements

Personal Reflection

Group Brainstorm

Value Vote

Regular Reminders

Academic Struggles

Provide Tutoring and Academic Supports

Loneliness

School Connectedness

School Connectedness and Belonging releases oxytocin that send messages to the brain that creates attachment and attunement.

<https://www.youtube.com/watch?v=kzvm1m8zq5g>

- Trusted Adults
- Peers
- Clubs/Activities
- College/Career

Return on Investment (ROI)

Approach attendance work with the end in mind.

Communication

**How do we send a powerful
message collectively that a
child is not just absent, they
are missed?**

Reflection

-  When a child enters your school, how do you want them to feel?
-  What do you have in place to make that happen each day?

Collaborative Attendance Improvement Planning w/ Mental Health Professionals

[Sample Attendance
Improvement Plan](#)

Gradual Exposure Towards Reintegration

- Effective routine the night prior
- Solid morning routine
- Meet with teacher, counselor, "go-to" adult
- Attend some classes
- Attend ½ day
- Attend full day
- School grounds/parking lot
- Inside the school building
- Hallways
- Inside the classroom

Considerations

- 
- A yellow squiggly line is located at the bottom center of the slide, overlapping the green and white background areas.
- Accommodations
 - Modifications
 - Online Learning
 - Homebound Services
 - Homeschooling
 - Intensive Therapy
 - Outpatient Treatment
 - Inpatient Treatment

The C's that Build Trust and Boost Attendance

- Engage with **curiosity**, not assumptions.
- Listen to students and families with **care**
- Accept **collective responsibility** and **commitment**
- Provide **clear communication** and expectations.
- Focus on **connection**

Success Story: Rhode Island

Calling All RI Students!

Join the Attendance Matters RI Student Video Contest!

Win a Video Production Bundle & more!

Are you a public high school student? Do you have a passion for storytelling? Join the 2025 #AttendanceMattersRI High School Student Video Contest and help inspire your peers to prioritize school attendance!

Why Participate?

- Showcase your creativity and advocacy.
- Share your message with Rhode Island on www.AttendanceMattersRI.org and social media.
- Win amazing prizes from Hunt's Photo and Video!

How to Enter:

- Create a video (30 seconds to 3 minutes) that mentions "Attendance Matters RI" and highlights why attendance matters. Be creative—use testimonials, dramatizations, animations, or your unique format!
- Choose your audience: will it be students, educators, families, or community members?
- Need inspiration? Visit www.AttendanceMattersRI.org/resources for facts.
- Submit your video by **September 30, 2025, at 11:59 PM.**

Prizes:

- First Place: 5-piece video production kit.
- Second Place: Professional photography bundle.
- Third Place: Vlogging kit with camera.
- People's Choice: \$250 gift card to Hunt's Photo and Video.

Full contest rules can be found at www.AttendanceMattersRI.org/videos.

RIDE Rhode Island Department of Education

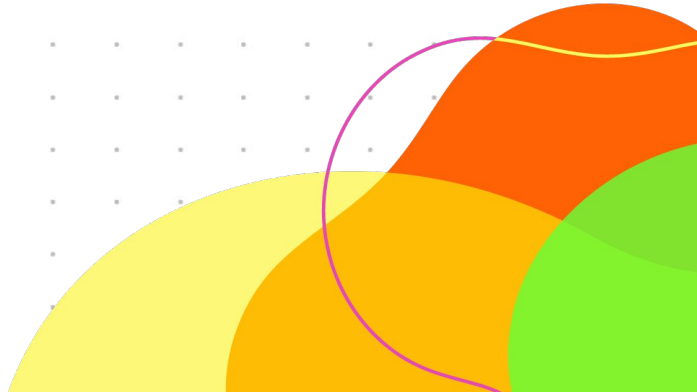

ATTENDANCE MATTERS COOL2SCHOOL

Hunt's PHOTO & VIDEO

- Posting attendance rates
- Family education
- Leadership involvement
- Team effort

Result: Decreased the SE attendance gap by 33%

Which **strategy** did they focus on?

- ❑ Increasing Family Engagement,
 - ❑ Promoting Student Connectedness
 - ❑ Ensuring Health, Well-Being, & Safety
 - ❑ Investing in Relevant & Engaging Learning
 - ❑ Supporting Access to Learning
- 
- A decorative graphic in the bottom right corner consisting of overlapping circles in orange, yellow, and green, with a thin purple line looping around them.

Success Story:

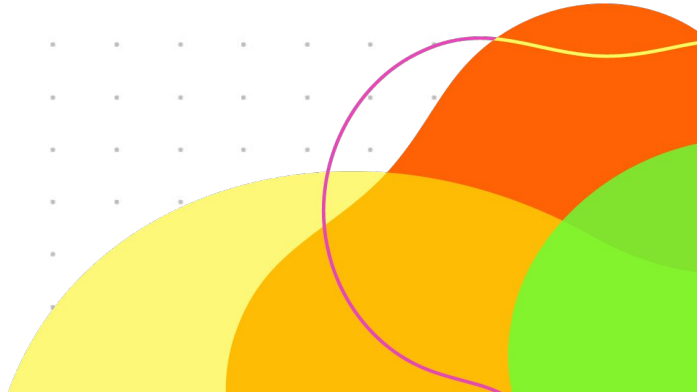

Alamosa School District, CO

- “Every Day Matters” campaign
- Voice Visits with families

Result: Increased attendance rates nearly 10% in 1 year

Which **strategy** did they focus on?

- ❑ Increasing Family Engagement,
 - ❑ Promoting Student Connectedness
 - ❑ Ensuring Health, Well-Being, & Safety
 - ❑ Investing in Relevant & Engaging Learning
 - ❑ Supporting Access to Learning
- 
- A decorative graphic in the bottom right corner consisting of overlapping circles in shades of orange, yellow, and green, with a thin purple line curving around them.

Success Story:

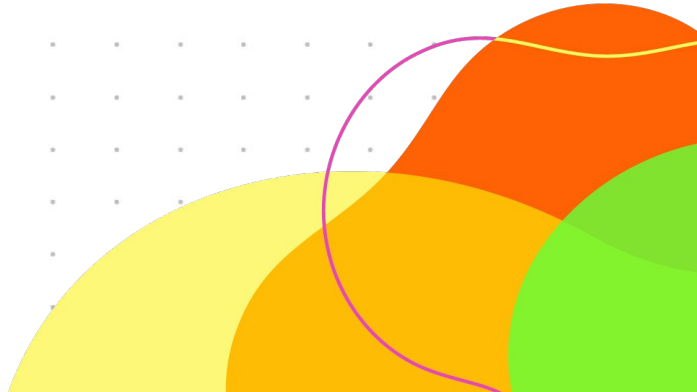

Alamosa School District, CO

- Data-driven approach (by grade level)
- Tiered approach
- Positive messaging and support for families

Result: Norton High School reduced chronic absenteeism from 36.9% to 2.3% in one school year.

Which **strategy** did they focus on?

- ❑ Increasing Family Engagement,
 - ❑ Promoting Student Connectedness
 - ❑ Ensuring Health, Well-Being, & Safety
 - ❑ Investing in Relevant & Engaging Learning
- 
- A decorative graphic in the bottom right corner consisting of overlapping circles in orange, yellow, and green, with a thin purple line curving around them.

**What will your
success story be?**

Strategy #1:

Increase Family Engagement

Strategy #2:

Promote Student Connections

Strategy #3:

Ensuring Health, Well-Being, & Safety

Strategy #4:

Invest in Relevant, Engaging Learning

**Goal: To increase
students' physical,
mental, social, emotional
presence in school.**

**Chronic
Absenteeism**

=

Missing 10% or
more days of
school for
any reason.

A decorative graphic in the bottom right corner consisting of overlapping yellow, orange, and green circular shapes, with a thin purple line curving around them.

Chronic Absenteeism is

Missing about

2 days

per month

OR

Missing about

1 day

every other week

A decorative graphic in the bottom right corner consisting of overlapping circles in shades of orange, yellow, and green, with a thin purple line curving around them.

Any Reason

Unexcused absences

Excused absences

Truancy

Suspension

Expulsion

Proactive Detection

Percentage of School Missed

10-19%

Moderately Chronically Absent

- 9-17 days in a semester
- 18-35 days over the course of a school year

$\geq 20\%$

Severely Chronically Absent

- 18 or more days in a semester
- 36 days over the course of a school year

Calculate the Gap

A student who misses roughly 2 days a month will end up missing an entire year of **instruction** & opportunities for **social experiences**

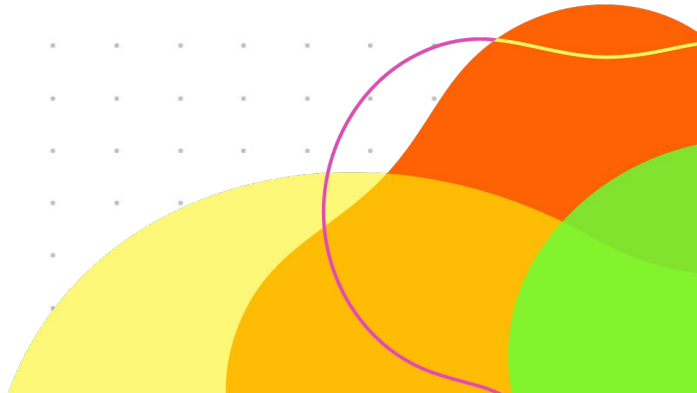

Implementation boils down to...

Adult
behavior
change

Undeniable Truth

All the positive outcomes we want to achieve for students is built on the well-being, energy, and shoulders of educators.

A decorative graphic in the bottom right corner consisting of overlapping yellow, orange, and green circular shapes.

Going from this...

To this!

Everyone in the same
boat and rowing in the
same direction with
paddles to achieve
optimal attendance for
all students

The **hope** is in
the proactive.

Attendance Toolkit

Chronic absenteeism continues to be a major challenge schools are facing across the country. The good news is there are a few solutions that are within our control. We address these solutions by providing proactive resources and strategies in our Attendance Toolkit! Designed to be low-burden, high-impact, these resources are rooted in building relationships and strong school culture. The Attendance Toolkit includes staff training slides, slides for admin and counseling teams, and one-page resources for various roles on campus.

Staff Training Slides

An interactive 30-minute training session to address root causes of chronic absenteeism together. (Tip: Print the one-pager tools below prior to the training.)

Note: [Click here](#) to make a copy of the presentation and view the speaker notes within each slide.

Proactive Tools

All In for Boosting Attendance: Front Office Staff

All In for Boosting Attendance: Transportation Staff

First Week of School

Before the first day

- Review your list of student riders and send out a welcome email with a picture and a little about yourself
- Find out how to pronounce each name and write the pronunciation down as needed
- Set a goal for how many names you will memorize each day
- Prepare your space: Decorate your bus with welcome signs and an All About Me poster

Welcome each student with care: 4 at the Door

- Name to name: Greet each student by name
- Eye to eye: Ensure students feel seen
- Hand to hand: Fist bump, high five, or other greeting of choice
- Heart to heart: Quick connection (Examples: "How are you? I'm glad you're here!")

Establish, teach, and practice clear behavior expectations

- Recognize positive behaviors to reinforce expectations
- Respond to incidents of behaviors that are inconsistent with expectations

Responding to Absences

Extend empathy when students returns:

- "We missed you! I'm so glad you are back."
- "We need you here. You make this school a better place!"
- "I know it's hard to be sick. I'm glad you're feeling better."
- "Welcome back! It wasn't the same around here without you!"
- "Looking forward to seeing you back again tomorrow!"
- "We sure missed your ____ (kindness, smile, etc.) while you were gone!"

Empathy matters!

Ongoing Practices

Continue 4 at the door

- Name to name: Greet each student by name
- Eye to eye: Ensure students feel seen
- Hand to hand: Fist bump, high five, or other greeting of choice
- Heart to heart: Quick connection (Examples: "How are you? I'm glad you're here!")

Sincere send-off

- Send students off the bus with a smile and a kind word.
 - "Have a great rest of your day!"
 - "Looking forward to seeing you tomorrow!"
 - "Remember, you are ____ (cared for, important, amazing, etc.)"
 - "Do something kind for someone today!"

Ongoing Practices

Ensure each student feels **welcomed** (no matter what time they arrive) by practicing **4 at the Door**

Learn a few families' names each day and re-stock Welcome Back basket as needed

Maintain a welcoming environment with any of the following: Smiles, stickers, tissues, tissues, organized spaces, soft music, plants, etc.

Give tardy slips. Example: "We're so glad you made it! We hope to see you even tomorrow because it's not the same without you here!"

On the counter. Utilize a small treat to connect. Every time you take a mint give to share your name and 1 thing about yourself.

Welcome signs in different languages.

Send warm hellos and warm goodbyes.

Work with school counselor to set up Care in the office in case of unmet needs.

Empathy matters!

Anything you

place!"

better."

re of your ____

"While you were gone!"

Proactive **Family** Engagement

- ❑ Meet families where they are
- ❑ Create a welcoming environment
- ❑ Be on their team!
- ❑ Normalize positive phone calls home
- ❑ Host family-centered events

Health **Well-Being** & Safety

- ❑ Embrace proactive bullying prevention
- ❑ Normalize emotion regulation tools
- ❑ Build safe and supportive classroom culture
 - ❑ Community agreements
- ❑ Offer opportunities for student voice and choice

Promote **Student** Connections

A yellow squiggle is located below the word 'Student' in the title.

- ❑ Academics + 2
- ❑ Trusted Adults
- ❑ Share insights: Starfish room
- ❑ Prioritize relationships in all spaces
 - ❑ 4 at the Door
 - ❑ Bus greeters
 - ❑ Reading buddies
 - ❑ No phone lunch with conversational games

Relevant, **Engaging** Learning

- ❑ Collaborative learning opportunities
- ❑ Student-led learning opportunities
- ❑ Progress monitoring
- ❑ Tiered support as needed
